3:30 p.m.	Adjourn

## Objectives

- Safely manage pain with opioids in the hospital setting
- Pharmacology of medication-assisted treatment (MAT) options
- Prepare for the USP standard 797 effective Dec. 1, 2019
- Practical advice for achieving the most recent National Patient Safety Goals for Anticoagulant Therapy

## Who Should Attend

Pharmacists, providers, nurses, leadership, medication safety officers and quality and risk management staff interested in improving medication safety. A live-stream option will be available.

## Continuing Education

MHA has applied for 5.75 contact hours through the Minnesota Board of Pharmacy. This activity has been designed to meet the Minnesota Board of Nursing continuing education requirements. A total of 6.9 contact hours will be awarded to those attending this educational activity. However, the nurse is responsible for determining whether this activity meets the requirements for acceptable continuing education.

## Program site

Earle Brown Heritage Center  
6155 Earle Brown Dr., Brooklyn Center  
(763) 569-6300

## Meals and beverages

Due to government contractual restrictions, MHA is not able to provide food or drinks at events.
